

Publishing Open Access in Cambridge Journals

Join us as we guide you through the basics of Open Access (OA) and its benefits, and highlight pathways to publishing OA, including how to benefit from publishing agreements with your institution.

Professor Sally Kendall, co-Editor in Chief of *Primary Health Care Research and Development*, will present her experience of publishing Open Access, followed by a Q&A session with the panel.

Monday 10 May 2021

11.00am EST | 4.00pm BST | 5.00pm CET
